

We invite you and your company to join the Food, Agri and Aqua Business Sector Committee (FAABS) in order to benefit from and contribute to:

GOVERNMENT ADVOCACY

EuroCham's voice is strong in Vietnam. It is a way to get your business concerns in the areas of food, agriculture and aquaculture heard by the highest levels of the Vietnamese Government through the use of powerful EuroCham platform such as the Whitebook (annual advocacy publication), letters and events.

We regularly meet with international organisations such as the International Finance Corporation (IFC), World Bank (WB), Food and Agriculture Organisation (FAO), and World Health Organisation (WHO).

We organise events, interact and address topics with high-level representatives of relevant authorities in Vietnam, including the Ministry of Health, the Ministry of Industry and Trade, and the Ministry of Agriculture and Rural Development.

You can contact our members for details of the results we have obtained over the years, get your voice heard and your message amplified with us!

NEW BUSINESS OPPORTUNITIES

Being a FAABS' member means having access to potential customers and clients, such as our 15 members, nearly thousand EuroCham member companies and Vietnamese Business Associations.

This offers a unique environment to generate new business leads and prospects.

IMMEDIATE ACCESS TO EUROCHAM'S NETWORK

By joining the FAABS you will enjoy access to publications across all 16 EuroCham's Sector Committees and experience in helping companies from market entry advice to specific support in advanced business situations.

EXPERT ADVICE

Food safety, laboratory testing methods, capability building, high tech agriculture, ingredient sourcing, import/export and certification are just a few examples of topics on which you can will have the best advice and knowledge at your disposal, through our members, our Government partners as well as our external advisors and contributors.

PRIVILEGED INFORMATION AND A SHARING PLATFORM

Market size, growth and trend data in food, food safety, laboratory, agriculture, feed, and aquaculture industries are just a selection of topics on which we regularly share information and updates.

We have access to international organisations and the EU Delegation to Vietnam; can support in obtaining grants and funding; and provide input to, for example, the European Union-Vietnam Free Trade Agreement, as well as reports of the WB and WHO.

The Food, Agri and Aqua Business Sector (FAABS) of the European Chamber of Commerce in Vietnam (EuroCham) is dedicated to:

- ➔ Improving the competitiveness of the Food, Agri and Aqua Business Sector in Vietnam;
- ⋯ Improving food safety for humans and animals through a supply chain approach;
- 🕒 Creating a level playing field for small, large, local and international companies regardless of legal entity, size and nationality; and
- 👉 Creating a sustainable Food, Agri and Aqua Business Sector in Vietnam in the long term or improving the sustainability of the sector where it is already sustainable.
