---

**Navigating Vietnam’s tax regime: updates, insights, practical issues and best practice**

2014 has seen the release of many tax regulations and practice guidance impacting every tax aspect of your business.

Time for preparation of 2014 tax finalization is fast approaching, in addition many new tax regulations have just come into effect from 1 January 2015, accordingly it is time to update all recent regulations and share the practical issues of 2014.

This symposium will be an interactive event enabling you to engage with our team of experienced tax, transfer pricing (TP), human capital and immigration professionals. The team has depth knowledge and experience from a broad variety of industries including FMCG, real estate, oil & gas, pharmaceutical and manufacturing. You can be assured that this event will deliver maximum value to you.

**Who should attend?**

If you are working in Finance, Tax, HR or are just interested in Vietnamese taxation, do not miss this opportunity to attend our seminar.

---
